Place	Date	Hour	Summary of Events and Information	References to Appendices
HERQUEVILLE	1	1030	C.O. and Adjt visit 227 Bde in connection with difficulties they have been having with their wireless. C.O. operates their command set personally from the Bde C.V.	DGH
		1400	Party attends cinema show. Quiet afternoon. Move proposed for tomorrow is postponed until following day	DGH
	2	1000	Men bathing and generally cleaning up. Further party to cinema show.	DGH
		1000	Corps was at some 60 miles distance - often aeriels tried on Corps nets but results no better than with extra lengths on ordinary rad aeriels. Other wireless at Main Div closed except to Recce Regt on CW net, who have no line	DGH
	3	0900	Main & Rear Div HQ's move to LES CORNETS (515132) arriving at approx 1200 hrs. No lines laid to Bde. Wireless very poor except lines to Corps, some 50 miles away. These lines all through however by approx 1400 hrs	DGH
		1830	All ranks not on duty both from Main & Rear HQ attend church service at Main H.Q.	DGH
LES CORNETS	4	1030	Main and Rear Div move to HAUCOURT (621335) arriving at approx 1300 hrs. Once more no lines to be laid except to Rear Div, where instead of the usual pair of lines being laid, one twisted pair is laid & the one plus ones, usually in use to Main & Rear Corps are utilized. Wireless satisfactory, with one exception of links to Corps, which are still being handicapped by distance, Main Corps, for example, moving to BETHUNE (3825)	DGH
HAUCOURT	5	1000	Main and Rear Div HQs move to NUNCQ (120038). Layout as for previous location.	DGH
NUNCQ		2100	A special force known as "LYS FORCE" leaves. Signals are providing for it one 12 set H.P. as rear link to Corps (R/T). This set worked satisfactorily at 2030 hrs before leaving. The Div-Bde CW rear link of 46 Bde (who are commanding LYS FORCE) later nets to Corps as C.W. link	DGH DGH

		2300	Step-up at departure for benefit of 46 Bde. Comms rather difficult tonight due to interference.	DGH
TRIEU COUSINE	6	0745	Counter-Mortar C.V. employed as control for Traffic Control net working to sets of 119 LAA Regt. Their organisation is now personally under comd O.C. LAA Regt RA. Using CRA alt freq nets satisfactorily at 0800 hrs	DGH
